Mission Statement

Membership Categories

The Healthcare Leaders Association of the Miami Valley (HLAMV) serves and represents its members by:

- Providing professional development through education, information and peer interaction that meet the quality expectations of its members.
- Communicating national, state, and regional healthcare regulations and proposed changes in these healthcare regulations through verbal, written and/or electronic methods.
- Establishing and promoting the highest standards of professional and ethical conduct.

Active Member

Dues: \$125/year

Active Members must be a manager, supervisor, or consultant actively involved in the direct management of a medical practice or in the case of a practice management entity must be directly involved in general practice management.

Active members are eligible to vote, hold office and participate in and receive results of salary and other surveys conducted by the Association.

Pay Annual Dues Online

Associate Member

Dues: \$90/year

Associate Members must be an employee of an organized medical practice whose manager or supervisor is an Active Member.

Associate Members enjoy all the rights and privileges of Active Membership except that they may not vote, hold office and will not directly participate in or receive Association surveys.

Supporting Member

Dues: \$175/year

Supporting Members must be ineligible for Active or Associate Membership and actively employed in a healthcare related position. Supporting Members must be sponsored by an Active Member. There is a limit of two Supporting Members from the same organization.
